A: It is not a cracked file it's a modified version of the original file, as the filename implies the original is a rar file You can rename it to the original filename and it will start working. So rename the file extension of the file to.rar and it will work as expected. The history of the great war The significance of this book is that it offers a complete account of the whole war from its beginning in the summer of 1914 through its final collapse in the first year of the following decade. The army and navy chapters contain accounts of campaigns and battles, and the political and social chapters examine events such as the fall of Caporetto and the end of the Austro-Hungarian empire, the Triple Entente, the naval blockade and the conscription crisis. Throughout the latter chapters Tyrell takes the form of a contemporary journalist reporting on developments in politics and the military.Q: Copying local json file to elasticsearch I created a json file, which was deleted by mistake, when the backup is recover- zip-project, i can not find this file and elasticsearch does not recognize this file. I heard that in version 2.1 we can copy locally json file to elasticsearch. when i run cURL then i get below response.

```
curl -XGET 'localhost:9200/_cat/indices?v' -H 'Content-Type: application/json' -d'
{"_index":"product", "_type":"product", "_id":2, "_version":1}' { "error": { "root_cause": [ { "type":
